

PII FUNDING FOR LEGAL FIRMS

SPREAD THE COST OF YOUR INSURANCE OVER TIME

Professional Indemnity Insurance (PII) can represent one of the single largest expenses that a law firm can face annually. By spreading the cost of your premium over time, you can avoid significant troughs in your cash flow and ensure working capital for other important areas of your business.

Wesleyan Bank provides flexible finance solutions to legal firms looking to spread the cost of their PII. As the only endorsed finance provider to the Law Society of England and Wales, you can be assured that we have the expertise and knowledge to support your practice.

Wesleyan Bank acts both as a broker and a lender.
