ASSET FINANCE FOR PROFESSIONAL PRACTICES

INVEST IN THE FUTURE OF YOUR PRACTICE

Supporting your business growth

If you're looking to invest in the latest IT, equipment, vehicles or software for your business, we can provide you with a greater degree of flexibility and control of your practice's finances by helping to spread the cost over time. We can finance your upcoming asset investment over 5 years or less, retaining your company's banking lines and working capital and achieving quicker return on investment and breakeven.

We can provide funding for all kind of asset investment including but not limited to; computer hardware, software including PMS, case management and account packages, specialist business and office equipment, plant and machinery, commercial vehicles, premise refurbishments, office relocations and more.

As the only endorsed finance provider to the Law Society of England and Wales, as well as the Law Society of Scotland, and as a Member Rewards Partner to ICAEW members you can be assured that we have the expertise and knowledge to support your practice.
