IT FINANCE FOR SMEs

A COMPLETE PACKAGE FOR YOUR IT SOLUTION

Supporting your business growth

With the rate of innovation increasing rapidly, businesses are struggling to keep pace with technological advances in the workplace. However, the latest software can be crucial to ensuring that you remain competitive in the marketplace and your business flourishes in the future.

The main barrier to investment for small to medium sized businesses remains the cost, particularly when IT innovation is happening all the time, how do you know that something better might not be just around the corner?

Considering spreading the cost of your IT solutions could be the answer. When you take out a finance plan with Wesleyan Bank we ensure it is flexible and bespoke to your requirements. And, if you need to upgrade halfway through your contract, you can. It's that simple.

Key benefits

- ▶ Hardware, software, installation, training and support in one package
- ▶ Supplier agnostic - we can fund any supplier or a mix in one contract
- ▶ Improved cash flow and instant ROI
- ▶ Flexible upgrading
- ▶ Maintain your banking lines and working capital

A solution that is all about you

Our dedicated account managers will work with you to develop a finance solution suitable to your needs. With over 175 years' experience in helping businesses reach their full potential, you can rest assured you are in safe hands with Wesleyan Bank.
