TAX FUNDING FOR PROFESSIONAL PRACTICES

UTILISE CASH WHERE YOU REALLY NEED IT

Supporting your business growth

Tax can be a significant cost to your practice, putting momentous pressure on your cash flow and taking over your banking lines and overdrafts. By paying for your tax liabilities up front, you are losing the ability to utilise this working capital in other, important areas of your practice.

As the only endorsed finance provider to the Law Society of England and Wales, as well as the Law Society of Scotland, and as a Member Rewards Partner to ICAEW members you can be assured that we have the expertise and knowledge to support your practice.
