

TAX FUNDING FOR SMEs

UNLOCK YOUR CASH FLOW FOR BUSINESS GROWTH

As a significant cost for your business, tax liabilities can put a considerable amount of pressure on your cash flow, even when you have planned for them.

Paying for your tax bill upfront can tie up your banking lines and mean that you are lacking working capital in other important areas of the business. If you want to maintain working capital and protect cash flow, you can choose to spread the cost of your tax liability over 6 or 12 months with an unsecured loan from Wesleyan Bank.

Apply online in minutes to receive an instant quote.

Wesleyan Bank acts both as a broker and a lender.
