VAT FUNDING FOR PROFESSIONAL PRACTICES

VAT FUNDING SOLUTIONS FOR YOU

Supporting your business growth

VAT returns represent a significant outlay for any professional practice and can regularly impact the cash flow of a business. The more successful your practice has been, the higher a VAT bill you can expect to receive. A high expenditure up front can leave you running low on cash for other important areas of your practice.

We offer simple and flexible unsecured loans to spread the cost of your VAT bill and to ensure that your practice has working capital where it needs it most. Spread the cost of your liability over 3-12 months giving predictability and allowing you to smooth peaks and troughs in your cash flow.

As the only endorsed finance provider to the Law Society of England and Wales, as well as the Law Society of Scotland, and as a Member Rewards Partner to ICAEW members you can be assured that we have the expertise and knowledge to support your practice.
