VAT FUNDING FOR SMEs

FREE YOUR CASH FLOW

Supporting your business growth

VAT returns represent a significant outlay and can regularly impact the cash flow of any business. Tying up cash in short term expenditures such as VAT can mean that you have reduced working capital for other important areas of your business. This is where a flexible finance solution from a specialist provider such as Wesleyan Bank can help.

Spreading the cost of your VAT bill over 3-12 months can have positive effects and ensure you are in control of your cash flow. It also can give you more predictability over your expenditure allowing you to smooth peaks and troughs.

Key benefits

- ▶ Quarterly VAT spread payment options over 3 – 12 months
- ▶ Competitive rates
- ▶ Maintain cash flow for other areas of your business
- ▶ Get a quote within 48 hours
- ▶ Unsecured loan

A solution that is all about you

Our dedicated account managers will work with you to develop a finance solution suitable to your needs. With over 175 years' experience in helping businesses reach their full potential, you can rest assured you are in safe hands with Wesleyan Bank.
